# YOUNG SOFTWARE ENGINEER PROGRAM

## PARTICIPATION CONDITIONS

**1.** To be a student in the field of information technologies

**2.** To be in your final year of academic studies

## Looking for a paid international internship?

**The ASEE International Internship Program** will give you an amazing opportunity to gain international experience in one of the largest software companies in Europe.

You will become familiar with software design through an i**ntensive training program** and transfer of expert knowledge after which you will **participate in software development workshops** with the support of **top ASEE mentors.**

The international internship will be organized in a virtual remote environment and it will **start on October, 25th, 2021** and **last till November, 26th, 2021**. Students will be selected based on a test which will be organized on **October, 18th and 19th, 2021.** All shortlisted students will receive detailed test instructions.

This internship program **will be paid** and the most successful and devoted interns might **get an opportunity to start working in ASEE.**
