

Dear Data Lovers,

We all know that November is the part of the year when DSC-mania is going up like crazy and everyone is eagerly waiting for DSC Conference to start! EUEUEU This year, DSC Europe 2020 will happen online, on November 15-19th and you may expect a lot of data, a sparkle of AI & the scent of decision intelligence and building Data & AI products. Official language of the Conference will be English.

During the event, you will get a chance to listen to **over 14 Keynotes, 100 high-quality talks** and **over 25 Tech Tutorials** on the topic of Data Science, AI & ML, Decision Intelligence, Building Data & AI Products, Open Movement, Quantum ML, Future of Work with AI, Big Data & Data Engineering and others. You will be able to hear and listen to the names such as Bob Sutor, Bojan Tunguz, Amanda Brock, Gabriella de Queiroz, Yong Shi, Alex Antic, Jaimie Boyd - who are the greatest leaders in our field. So don't wait up and join us - and be one the many who will be present at this event!

If you are interested in attending DSC Europe - we have provided our guests with 2 possible ways of attendance and one of **them is completely free**.

You may register for a **FREE DSC Europe 2020: Open day pass** and watch livestream of the program happening on November 19th at: <https://datasciconference.com/ticket/open-day/>

We have worked hard and prepared a lot of interesting things for the whole Data Science & AI ecosystem. So if this sounds good to you, check out <https://datasciconference.com/> and you will see why this is a Data Science & AI event of the year.

E-See you on DSC Europe 2020 on November 15-19th! EUEUEU
